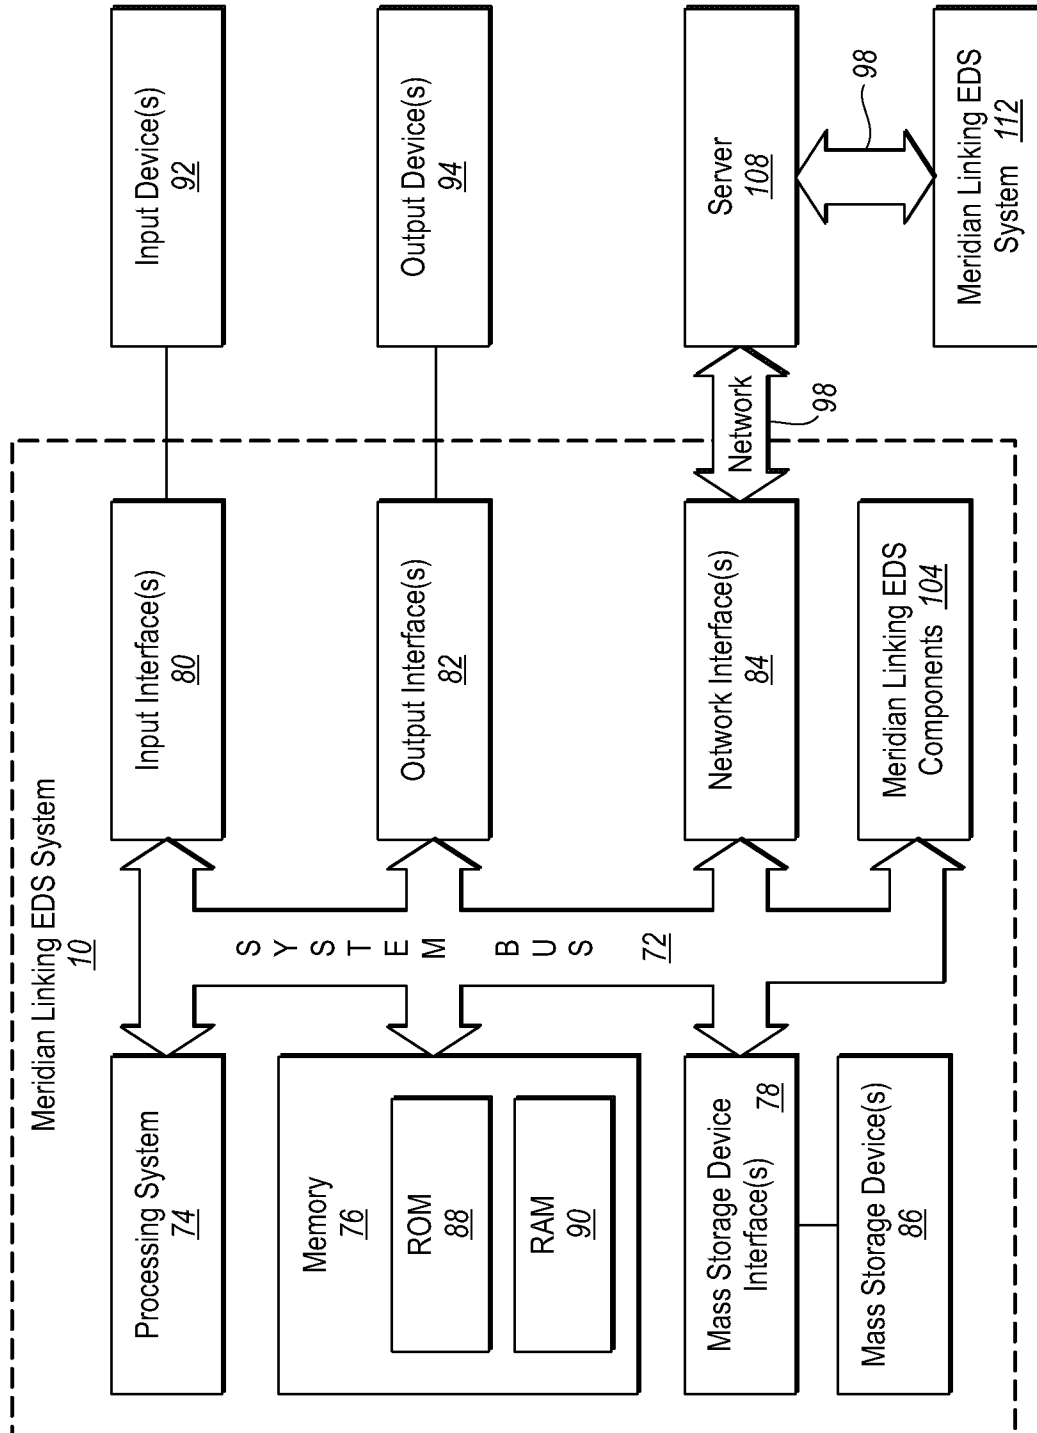

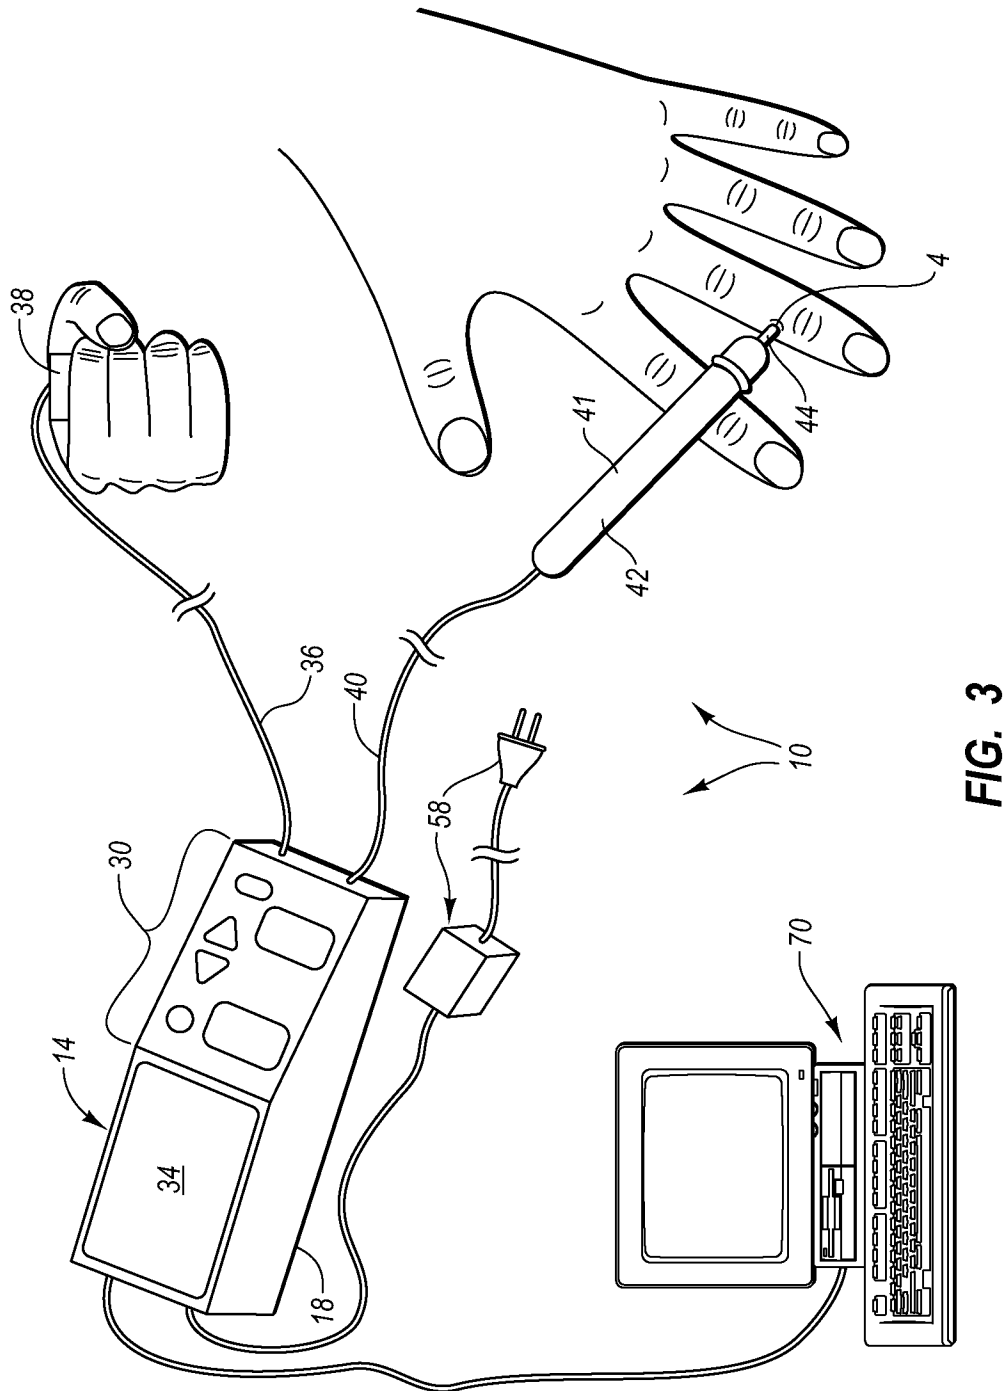

FIG. 2

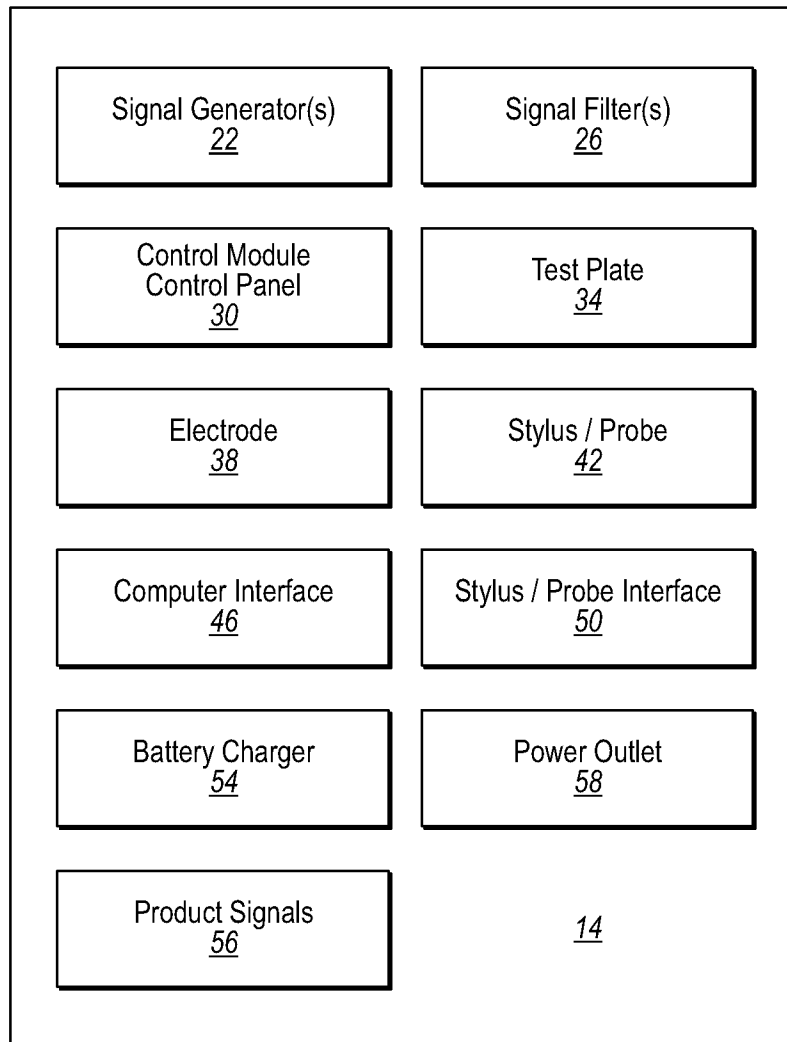

FIG. 4

The screenshot displays a software application window with a standard Windows-style interface. At the top is a menu bar with options: File, Scan Zone, AutoAdvance, Hold Tank, ConnPort, and Help. Below the menu bar is a toolbar containing buttons for New, Edit, Save, Cancel, New Visit, Delete, Labels, and Report. The main content area features a tabbed interface with tabs for Client, Points, Filters, and Print. The Client tab is currently selected, revealing a form for client information. This form includes input fields for Last Name, First Name, and Middle Name. To the right of these fields are an Address field with a dropdown arrow, a Gender field with radio buttons for M and F (F is selected), and a Visits table. The Visits table has two columns: Visit and Date. Below the table, there are additional input fields for Address, City, State, Zip Code, and Phone.
